Classes with this designation are reserved for members only and require a reservation using the Y's online reservation system. Reservations are taken up to, but no further out, than 24 hours in advance. Those without Internet access may contact the Welcome Center at 603.352.6002 for reservations. Space is limited and we do maintain a waitlist. Please arrive promptly to class to avoid losing your reservation. Instructors will take attendance. If you are unable to attend after making your reservation, please be courteous and cancel your reservation, which may be done online or by calling the Welcome Center.

ALL CLASSES ARE SUBJECT TO CHANGE WITHOUT NOTICE!

KEENE FAMILY YMCA GROUP EXERCISE DESCRIPTIONS

Anything Goes ● You'll never know what our instructors will come up with next. This class is any combination of cardio and strength training. Guaranteed to shake up your routine.

Aquacise ● A mellow class, perfect for those new to Water Aerobics and all levels. Taught in shallow water. Class uses body resistance and sometimes hand bells or noodles.

Balletone ® ● Build your strength, endurance, and balance to become long and lean. Easy to follow and unique. No prior ballet dance experience needed. All levels welcome.

Barre Fusion ● This class gives a new spin to fitness! Fusing Barre ballet with cardio, athletic moves, and body sculpting. Fun unique total body workout for all fitness levels.

Beginner/Intermediate Cycling ● This cycling class is for beginners and intermediate cyclists, as a beginner you will learn how to set up your bike for a great cycling experience so please come 5 min early so the instructor can help you get set up.

Boot Camp ● A total body cardio and strength workout which includes intervals and circuit training. This is a fast-paced energetic class that can be modified for all levels.

Buns & Guns ● In this class we target your glutes, legs, and arms in a cardio circuit style format in just 45 min. If you want a quick but effective workout this class is for you!

Butts & Guts ● Burn fat and tone muscle while targeting the core and glute muscles.

Cross Training ● This is a high intensity class to reach your peak conditioning. You can expect to run, lift, and a lot more. Teen cross training is for 13-19-year-olds.

Cycling Class ● A non-impact, high energy cardio ride on stationary bikes, simulating a road bike workout to music. Reserve your spot using the Y's online reservation system

Deep Water Power ● This class will get your heart pumping with tabatas, circuits, and more. Class is taught in the deep water. Float belts will be used for this class. Class is for all levels. Come join the fun!

Deep H₂O ● A non-impact, modifiable class for every level taught in the deep end of the lap pool. Float belts will be used for this class

Functional Movement ● This class will help you learn to roll, jump, climb, crawl, balance, and get up and down from the floor. REAL world strength training

Gentle Yoga ● This yoga class is for the beginner or for someone who may have limitations.

Get Fit Mix ● This class is a multi level class with timed blocks of cardio, strength and core to keep your heartrate elevated to boost your metabolism to get fit.

H₂O Fit ● A fun class for all levels, set to high energy music taught in the shallow water. Body resistance based, though sometimes pool noodles will be used.

Interval Challenge ● This is a great class to get you going at noon to pump up your afternoon. Intervals of strength and muscle toning, along with cardio exercises gives you a total body workout.

Kettlebells ● This class is a hardcore workout. Challenge yourself, train like a pro by using Kettlebells and your bodyweight. Develop core stabilization, strength, and endurance.

Kundalini Yoga ● This Yoga practice is known as the "yoga of awareness". This class follows a specific set of movements called kriyas to balance the body's energy .. The kriyas work on strengthening the nervous system, balance your glandular system, and purifying and calming the body.

Mindfulness class ● This class focuses on relaxing the mind and body. Movements include mild stretching mindful breathing, guided meditations, and being still.

Muscle Tone ● This is a low impact total body strength workout with an emphasis on core strength development. All levels welcome.

MMA Training ● This class will teach you basic self-defence, martial arts techniques as you flow through an amazing workout. And will also add a new life to your exercise routine you will learn new skills and techniques.

Pump It ● Define yourself! This class offers a total body workout that will target all your major muscle groups.

Obstacle Edge ● This class will focus on preparing you for that obstacle course race you always wanted to try. Strength, Cardio, Core will get you ready.

Power Sculpt ● This class focuses on toning you from head to toe. We use a variety of tools that range from hand weights to stability balls. All levels are welcome!

Power Cycling ® ● This class is a power-based cycling class that uses individual measurement of power output to improve strength, stamina and speed.. Ride profiles tailored specifically to improve performance over time..

Qigong/Tai Chi ● This class offers relaxing movements that promote increased circulation, better balance and a centered, peaceful state of mind.

Saturday Cycling ● Come cycling with us on Saturday morning and get a great start to your weekend! All levels welcome.

Silver Mix ● Active Older Adults and beginners can come mix things up with cardio, strength, balance, and flexibility. Come join the fun.

Silver Strength ● Active Older Adults and beginners can have fun and move to the music through a variety of exercises designed to increase muscular strength and range of movement to improve daily activity.

Silver Cardio Circuit ● Active Older Adults and beginners can have fun and move to the music through a variety of exercises designed to increase your heart rate, give you muscular strength, and improve range of movement all the while having fun!

Strength Building ● Using dumbbells and barbells to strengthen your prime movers. Build your muscles up with low rep, high weight exercises.

Strength & Flex This class focuses on a combination of strength training and stretching with a blend of TRX and Yoga inspired exercises.

Strength and Form ● Strength training using different tools such as barbells, dumbbells, and other weights, while learning proper form.

Stretch & Stability ● This class focuses on a combination of balance & stretching with a blend of Pilates and Yoga inspired exercises that build flexibility and strength.

Strength Circuit ● This class focuses on strength training in a circuit utilizing different exercises, weights, and equipment.

Sunday Yoga ● Intermediate Classic Yoga offered with iyengar precision. Easily move beyond obstacles. Explore your optimum potential deeply and safely, with breath, heart and deep attention. Modifiable for a range of intermediate students, but adventurous.

Strong by Zumba ® Is a high intensity interval class — think burpees, pushups, and other high-impact moves — that's synced to specific music.

Strength & Stretch ● This class will focus on strengthening your small muscle groups as well as learning what your body needs to relax and reset.

Push,Pull & Carry ● Does your routine sometimes bore you? Why not change it up by doing something different. In our Push, Pull & Carry class you will participate in "Strongman" style events scaled to your level of strength. You'll get strong, improve your conditioning and have fun doing it!

Pound ● This is a calorie-torching full-body cardio jam session. The Pound Rockout workout fuses cardio, Pilates, Plyometric, Isometric poses and Strength movements to the beat of the music. So come join the fun and jam with us!

Total Body Mix ● This class combines basic cardio with lighter weights and resistance equipment. You make it what you want.

Tone & Tight ● This class you will be using a variety of fitness tools such as hand weights, Bands, body bars and much more.. So come join the fun and get tone and tight with us

Total Body Express ● This class provides a total body workout using cardio and strength training

TRX® Body Blast ● Pump, sculpt, strengthen your muscles, and blast away calories! Fun, challenging
