### Keene Family YMCA COVID-19 Membership Code of Conduct

The following is the Keene Family YMCA's addendum to the Membership Code of Conduct in response to COVID-19. This list outlines the safety protocols each member is expected to follow in response to the COVID-19 outbreak in our community. The Keene Family YMCA will follow CDC and State guidelines for physical distancing and cleaning protocols to ensure the safety of our members and the community. This list does not replace the Member Code of Conduct you signed at the time of sign-up; it is in addition to those expectations. These expectations are subject to review and change as the mandates for safety during this pandemic change.

As a Member of the Keene Family YMCA I:

- Follow all COVID19 procedures provided by the YMCA and as directed by any YMCA staff.
- Agree not to come to the Y if I am feeling sick or exhibiting any illness symptoms.
- Will be subject to a screening of my body temperature by a YMCA staff member and may be asked to leave for the day if my temperature is above 100.4 degrees Fahrenheit
- Will follow all physical distancing policies of 6' apart and as outlined by YMCA staff members
- Will follow all cleaning procedures as outlined by YMCA staff members including cleaning any equipment before and after use
