

Keene Family YMCA

Academic Support & Enrichment Program

For School-Age Youth

Thank you for your interest in the Keene Family YMCA's Academic Support & Enrichment (ASE) program. We recognize the challenges that families are facing during the COVID-19 Pandemic and are excited to be able to provide your child academic support coupled with high-quality care through this program. We have been fortunate to partner with local churches wanting to help children and families participating in the district's hybrid model by providing space for full day and after-school programming. We would also like to thank Savings Bank of Walpole for their generous donation toward helping us open the doors to this new program.

The Academic Support & Enrichment Program for School-Age Youth will now be offered on a 3-day/week schedule, depending upon which hybrid track your child is on. We will have a classroom for the students who are remote M/W/Th and another classroom for those who are remote T/W/F. Therefore, tuition is a flat rate that is paid regardless of the number of days in which your child is present in the program. ***Please also note that our program offerings, hours of operation and location are subject to change with the fluidity of COVID-19.*** For example: should enrollment in after-school days increase, we may offer those programming hours; OR if schools are to go fully remote, we will transform the program to allow for families to enroll in a 5 full-day option.

Submission of the registration form does not guarantee your child a spot in the program. Program offerings are based upon various factors including but not limited to: the amount of youth enrolled in the program, qualified staff available, operation of off-site program space(s), etc. Enrollment confirmation will come directly from the School-Age Director in addition to the site location assignment, a check-list of supplies the child should bring with them to the program, and the School-Age Childcare Parent Handbook for review and signature of acknowledgement.

ASE Program questions can be directed to the School-Age Director, Ashley Engelbrecht at aengelbrecht@keene-ymca.org or 603-283-5241

Billing questions can be directed to the Assistant Childcare Director, Katie Gregory at kgregory@keene-ymca.org or 603-283-5242

COVID policy/procedure related questions can be directed to the Childcare Services Director, KAaron Brown at kbrown@keene-ymca.org or 603-283-5253

Keene Family YMCA

Academic Support & Enrichment Program

2020-2021

In response to the increase in school-age childcare needs surrounding the hybrid model, we have formulated a program to help families maintain regular work schedules and support youth in their remote learning assignments. *Please note that submission of this registration form does not guarantee enrollment for your child.* Enrollment confirmation and site location will be communicated directly by the School-Age Program Director.

Tuition for the 5 full-day program is a flat rate of \$208.00/child/week regardless of attendance in the program.
