CLASS DESCRIPTIONS

Alignment Yoga: (++) Intermediate Classical Yoga offered with Iyengar precision. Easily move beyond obstacles. Explore your optimum potential deeply & safely, with breath, heart & mindfulness. *Modifiable for a range of intermediate students, but still adventurous.

Tai Chi for Arthritis Program: (+) This program is an ancient practice proven to reduce pain & improve mental & physical well-being. Developed by Dr. Paul Lam using gentle Sun-style Tai Chi routines that are safe, easy to learn & *suitable for every fitness level.

Family Yoga: (+) Expand your child's imagination as they are guided through stories, dance and music into playful Radiant Child yoga poses. Kids learn mindful breathing and how to relax their bodies with conscious discipline skills and yoga activities. *For ages 4-8+. Older or younger siblings are welcome.

Ballet Fusion: (+) No prior ballet/dance experience needed! Build strength, endurance, balance to become long and lean. *Easy to follow & unique.

Body Blend: (+) A total body workout that combines Strength Training with a blend of Pilates and Yoga. An energetic mind/body experience set to vibrant music. For all levels.

Boot Camp: (++)/+++) A good ol' fashion cardio boot camp style class. Sculpt your muscles, flatten your stomach & burn calories while having fun.

Butts & Guts: (++)/+++) Burn fat & tone muscle while targeting your core & gluts.

Buns & Guns: (++)/+++) Target gluts, legs & arms in a focused 45 minute class.

Cross Training: (++)/+++) This is a high intensity class to reach your peak conditioning. Expect to run, lift & a lot more. Teen Cross Training is for ages 13-19.

Core & More: (++)/+++) 45min class. Come work your core & more.

Cycling Class: (++)/+++) A non-impact, high energy cardio ride on stationary bikes, simulating a road bike workout to music. Reserve your spot using the Y's online reservation system

Interval Challenge: (++)/+++) This is a great class to get you going. Intervals of strength & muscle toning, along with cardio exercises gives you a total body workout. *Recommended for intermediate or higher fitness levels.

Kickboxing: (++)/+++) Combination class with cardio kickboxing moves, step movements & sculpting with different equipment

Kettlebells, Ropes & Squats: (++)/+++) Challenge yourself & train like a pro by using Kettlebells, ropes & bodyweight. Develops core stabilization, strength & endurance. This class is a hardcore workout.

Low & Lite: (+) A low impact cardio class, with lots of light resistance strength work & balance challenges included. *Perfect for those new to Group Ex classes or those needing to "tone it down" due to chronic injuries or aging joints.

Mindfulness: (+) This class focuses on relaxing the mind & body. Movements include mild stretching, mindful breathing, guided meditations & being still.

Pilates: (+/++) Develop long lean muscles & body awareness. You will exercise your smaller, core muscles that support the bodies large muscle groups. You will feel revived, strong & stretched out. *Varying degrees of difficulty make this a perfect class for all fitness levels.

Pump It!: (++)/+++) Sculpt lean muscle in this weight training class using bar-bells. Reserve your spot using the Y's online reservation system.

Progressive Body Weight: (++)/+++) Pure body weight training improves balance, stability, & makes your day-to-day life much more functional. Start with simple movements that build up in complexity as you build strength.

Powercut: (++)/+++) A total body workout that targets all your major muscle groups.

Pound®: (++)/+++) A calorie-torching full-body cardio jam session. The Pound® workout fuses cardio, Pilates, plyometric, isometric poses & strength movements to the beat of the music.

Power Hour: (++)/+++) Not your average step class. This amazing workout includes training for strength, cardio, stability, coordination, & agility using the step.

Qigong/Tai Chi: (+) This class offers relaxing movements that promote increased circulation, better balance & a centered, peaceful state of mind.

Strength Building: (++)/+++) Use dumbbell & barbells to strengthen your prime movers. Build your muscles up with low rep, high weight exercises.

Strength & Stretch: (+/++) Strength training, balance & stretching. All ages are welcome. *Designed for beginners to intermediate.

Silver Cycling: (+) For Active Older Adults looking for a challenge. *All levels welcome. Reserve your spot using the Y's online reservation system.

Silver Cardio Circuit: (+) Improve cardiovascular & muscular endurance—This low-impact aerobic workout is safe, heart-healthy & gentle on your joints.

Silver Strength: (+) Active Older Adults can have fun & move to the music through exercises designed to increase muscular strength & range of movement to improve daily activity.

Strength & Stretch: This class is for you if you are looking to get stronger AND more flexible. The first 30-35 min features strength training & last 20 min are focused on stretching.

Strength & Form: (++)/+++) Strength training in the Wellness Center while learning proper form.

Strength Circuit: (++)/+++) This class focuses on building strength, cardio & core using circuits.

Strong by Zumba®: (Not a Zumba dance class) This class combines high intensity interval training with the science of Synced Music Motivation. In every class, music & moves sync in a way that pushes you past your perceived limits, to reach your fitness goals faster.

Total Body Express: (++)/+++) Work your whole body using different formats in just 30 mins.

Total Body Mix: (++)/+++) Combines basic Step cardio with lighter weights & resistance equipment. You make it what you want.

We offer a variety of classes that combine TRX® and other specialties to provide you with a work out you'll love. Reserve your spot using the Y's online reservation system.

TRX®: (++)/+++) Build, strength, endurance, and flexibility with our new suspension training classes. Reserve your spot using the Y's online reservation system.

TRX® Strength: Build, strength, endurance, & flexibility with our new suspension training class.

50% of the class will be in the TRX® & the other 50% use other equipment. Reserve your spot using the Y's online reservation system.

TRX® Cardio Mix: Build, strength, endurance, and flexibility with our suspension training . You will also be doing cardio using body weight and other tools

TRX® Circuit Mix: A strength training class using TRX® straps & hand weights in your circuits.

Yoga Flow: (++)/+++) Explore aspects of yoga such as breathing techniques, yoga philosophy & meditation to add to your practice. *Participants must have basic knowledge of yoga postures.

Yoga: (+/++) Each instructor brings their own style to their class. Classes will strengthen, relieve stress & revive your body without added difficulty or strain on your back & knees.

Yoga/Pilates: (+/++) A blend of yoga, Tai Chi, & Pilates to enhance strength, flexibility, & endurance. *Designed for all fitness levels.

Zumba®: (++)/+++) Come join us as we dance, shake & sweat your way to health with Latin-inspired rhythms. Zumba® combines high energy with motivating music so you won't even feel like you're exercising. *Let yourself loose in this class designed for all fitness levels.
