

Healing After Tragedy A Community Conversation for ALL of Us

Keene Family YMCA Community Impact Event

We are living in unprecedented times. There is a convergence of social issues and a public cry for change. The anger energizes these efforts, but it also serves to divide us. We must find ways to heal ourselves and each other so can move towards connecting again - as fellow community members.

Date: Thursday, May 17th

Doors open at 5:30

Event 6:00-8:00

**Keene Family YMCA
200 Summit Road
Keene, NH 03431**

Please join us for a unique community event led by the voices of the emerging generation.

The event will include presentations about individual and collective trauma (i.e. Parkland, Opiate Epidemic, Las Vegas, #metoo, etc) told through stories, poetry, and music. Participants will engage in dialogue and practices to bridge the gap of connection between opposing viewpoints and generations. We will try to come together - as one community - for one purpose - to contribute the collective healing of all of us.
