KEENE FAMILY YMCA HERITAGE SOCIETY

Become a Heritage Society Member

The Heritage Society recognizes individuals and families who have made provisions in their estate plans or other planned gift vehicle for a gift to the Keene Family YMCA.

Heritage Society membership simply requires a commitment of a gift to be made in the future to ensure a strong YMCA for future generations.

Donors may restrict their gift to a particular program or service.

Unrestricted gifts are allocated to the general Endowment Fund, with annual distributions determined by the Board of Directors of the Keene Family YMCA.

PRESERVING THE Y FOR FUTURE GENERATIONS

Since 1885, the Keene Family YMCA has proudly served the Monadnock Region with programs and services aimed at strengthening our community.

When contemplating your personal legacy, feel confident that your gift to the YMCA will have an ongoing and profound impact on generations of Y members, young and old.

Our non-profit Taxpayer Identification Number (TIN) is 02-0222247.
