Jr.Fit™

Ages 8-12

Develop your young athlete's potential with our group personal training program designed for kids. There is more to being a good athlete than scoring goals and running fast, but explaining the importance of stretching, hydration, and nutrition to kids can be tough when they just want to PLAY. JrFit™ is an athletic program that uses a fun, creative approach to increase kid's health and fitness. Through well-researched, safe, and effective activities, including strength training, physical conditioning, and nutrition we will teach your child to play safe, so he/she can play longer.

WEIGHT LOSS BOOT CAMP

Ages 13+

Losing weight isn't only what the scale says, but also how you feel about yourself. The Y is here to support, motivate, and inspire your wellness journey. While losing weight can reverse or prevent diabetes, lower blood pressure, assist in preventing heart disease, increase energy, improve your immune system, and manage stress and anxiety, in the end you need to do it for you. Lose weight, tone your body, feel energized, and live a healthier lifestyle. This program is individually designed for all fitness levels and will gently guide you through the process of changing your exercise and eating habits.
