Hours of Operation

Monday-Friday 5am - 9pm
 Saturday 6am - 6pm
 Sunday 8am - 5pm

Please note: on November 12 the Y will be closed from 11:30am-3:30pm for staff training.

The pool closes 15 minutes before the facility closes. As the building closes promptly at the stated time, please leave time at the end of your workout or swim for locker room usage. **On Thanksgiving, Christmas Eve, New Year's Eve, and Easter the Y's hours are 8am to noon. The Y is closed on Christmas Day.**

Member Wellness Orientations

We are so glad you've decided to join our healthy community and we want to make sure you get the most out of your membership! We offer Member Wellness Orientations for members, both new *and* current, to help everyone get started on the journey to a healthier you.

Meet with a Y trainer, talk about your goals, and map out your FREE 2 Week Fitness Plan today!

Visit the Welcome Center or call 603.352.6002 to schedule your session.

Child Watch Ages 4 mos-10 yrs

Your workout should be stress-free. To make this easy for you, we offer Child Watch—your child can have fun at the Y while you enjoy exercising in the facility! The space is filled with stories, puzzles, blocks, board games, and calm activities, all supervised by caring, attentive staff. If you have a child 6-10 years old who wants a more active experience, we offer PRIMETIME (described below).

Child Watch is FREE to family members and available for \$3 to other members and guests. Check-in with the Welcome Center for your Child Watch pass.

Monday-Friday 8:45am-1:30pm
 Monday-Thursday 3:45pm-7:00pm
 Saturday 8:45am-12:30pm
 Sunday 9:00am-12:00pm

PRIMETIME

Ages 6-10 yrs

Your child needs physical activity and healthy options, too, and finds them in the Y's PRIMETIME program. You have a stress-free workout while your child engages in supervised age-appropriate activities.

PRIMETIME is FREE to Y family members and available for \$3 to other members and guests. Check-in with the Welcome Center for your pass.

Children under 11 years old must be signed into the program, which is held in the basketball gymnasium. Children not picked up by the program closure will be transferred to Child Watch.

Monday-Thursday 4-6:30pm

PROGRAM INFORMATION AND POLICIES

Program Registration

You can register online anytime during your designated registration period. You must have a billing method and email address on file to register online. Please speak with a Welcome Center representative if you need your password reset.

Register

- by phone with a credit card 603.352.6002
- in person at the Y Welcome Center

Payment is due in-full at the time of registration. No exceptions. Spots will not be held without payment. Classes will not be pro-rated for late enrollment. We may be able to accommodate late registration if space is available, but the full program fee will be charged. Program Registration is on a first-come, first-served basis.

Procedures and Refund Policy

Switching Classes

If you wish to change classes prior to the first class, please contact the Welcome Center. After classes have started, only the program director may process class moves. If for any reason a program is not suitable for you or your child, please see your instructor or program director. Participants are responsible for any fee difference between programs and this must be paid at the time of the class switch.

Program Refunds/Credits

If after the first class, you would like to withdraw, you will be issued a system credit that can only be used towards another program at the Y. If you have attended the first class your credit will be prorated accordingly. The one exception to this policy is in the case of injury or illness that prevents you from completing the class. A doctor's note will be required. Please speak to the program director if you have questions.

Program Cancellations

If the Y cancels a program after you register you are entitled to your choice of a system credit or refund.

Class Cancellations

If the Y cancels an individual class due to weather or other unplanned conflicts, every effort will be made by the program director to schedule a makeup class. Please be aware that make up classes may not be scheduled on the same day or time as your original class. There are no refunds or credits for cancelled classes.

Program Drop-off and Pick-up

Children under 11 years old must be dropped off and picked up by an adult from class at the designated beginning and end time. We value this time to communicate with our Y families and continuous supervision provides the safest possible environment for your child. Please be on time for programs to ensure your child has the proper warm-up to prevent injury and/or receives instructions to complete the day's objectives.

Parent Involvement in Programs

Parents are always welcome to observe their children in programs and encouraged to communicate with instructors and program directors at the beginnings and ends of classes. We discourage "coaching" from the sidelines, as such behavior can be distracting to both your child's and other participants' learning.

AQUATICS

SWIM

Child/Parent Aquatics

These classes all require an adult to participate with the child.

Water Discovery:

Safety Around Water

Ages 6-18 mos

Get ready to swim with your baby or toddler! Enjoy special time with your little one as your child becomes acclimated to the water. Learn along with your little ones about water safety and what you as a parent can do to protect them, all while playing games and songs!

AquaTots Swim

Ages 18-36 mos

Blowing bubbles and splashing around are the foundation to water fun. Let our qualified instructors guide you on how to encourage and supervise your child in the water as your AquaTot works towards independent motion. Basic swimming skills are introduced through fun activities and songs.

Water Acclimation

Ages 3-5 yrs

If your child needs a little confidence-building in the water and isn't quite ready to make that big jump alone—it's OK! This class is for both of you. Water Acclimation With Parent allows you to accompany your child in the water to help ensure your child's comfort in a class setting.

Youth Swim Lessons

1 — Water Acclimation

Ages 3-5 & 6-12 yrs

It's great that your child is ready to learn to swim! This class introduces basic strokes, increases comfort with underwater exploration, and helps swimmers with developing basic water safety skills. The class lays the foundation allowing for a student's further progress in swimming.

2 — Water Movement

Ages 3-5 & 6-12 yrs

It's time to take swimming to the next level! In this class, swimmers focus on body position and control, directional change, and forward movement in the water while continuing to practice basic self-rescue skills.

3 — Water Stamina

Ages 3-5 & 6-12 yrs

Swimmers develop stamina across longer distances while developing intermediate self-rescue skills, rhythmic breathing, and integrated arm and leg action.

4 — Stroke Introductions

Ages 3-5 & 6-12 yrs

Swimmers develop stroke technique in front crawl and back crawl. The class focuses on refining rotary breathing and introduces components of advanced strokes.

5 — Stroke Development

Ages 6-12 yrs

Here, swimmers refine their front crawl while learning breaststroke and butterfly basics. Swimmers gain familiarity with all competitive strokes and strengthen their advanced water safety skills through treading water and sidestroke.

6 — Stroke Mechanics

Ages 6-12 yrs

Swimmers at this level refine technique on all major competitive strokes. They learn how to incorporate swimming into a healthy lifestyle through guided workout sessions and targeted stroke development clinics.

Youth Coached Programs

Jr. Dolphins

Ages 7-10 yrs

Prerequisite: The swimmer can complete the following actions continuously: swim the full length of the lap pool without assistance, use the ladder to get out of the pool, jump into the deep end from the pool deck, and tread water for 60 seconds. Swimmer must be able to demonstrate a passable front crawl and backstroke.

Swim Club

Ages 9-14

For the child who loves to swim but doesn't want to compete. Come learn the 4 competitive strokes as well as, water volleyball, water polo, and so much more! Prerequisites: Must have passed the swim test, have a strong front and back crawl, and be able to tread water continuously for 2 minutes.

Junior Lifeguard

Ages 10-15

Does your child have dreams of becoming a lifeguard? Your child will learn lifesaving techniques, water safety, CPR, First Aid, swimming skills and physical conditioning. Prerequisites: Must have passed the swim test, have a strong front and back crawl, and be able to tread water continuously for 2 minutes.

Adult Swim Lessons

Beginner

It's never too late to learn to swim! For new swimmers, this program focuses on water acclimation, being comfortable with submersion, and basic stroke development.

Advanced Beginner

Looking to increase your skills in the water? This class is geared towards solidifying basic swim strokes, water safety, and developing stroke efficiency and mechanics. You should be able to swim at least half the length of the pool and be comfortable going under water prior to starting this class.

Intermediate

Become a stronger, more efficient swimmer! This program works on developing stroke efficiency and mechanics. You should be able to swim one lap of the pool, be comfortable with submersion, and have basic knowledge of freestyle stroke.

YMCA Arthritis Program

Aching joints shouldn't keep you from the active life you want! This low-impact water exercise program is for those with arthritis, taught in our warm water teaching pool. Each of these classes is capped at 8 participants. Member-only, free service; registration is required.

HEALTHY LIVING—FITNESS

Sports & Play For All Ages

HEALTH, WELL-BEING & FITNESS

Y Walking

All Ages

Enjoy staying fit and moving during the colder months, while avoiding falling hazards like ice and snow, by getting your exercise indoors at the Y! This walking program enables Community members to access the Y's Indoor Track during select times throughout the week, and also provides the opportunity to make new connections with your neighbors!

Weight Loss Boot Camp

Age 13+ yrs

Losing weight isn't only what the scale says but more importantly it's about how you feel about yourself. The Y is here to support, motivate, and inspire your wellness journey. We know you've heard that losing weight can reverse or prevent diabetes, lower blood pressure, assist in preventing heart disease, increase your energy, improve your immune system, and help you manage stress and anxiety, but in the end you need to do it for you. Lose weight, tone your body, and feel energized to live a healthier lifestyle. Individually designed for all fitness levels, participants are gently guided through the process of changing exercise and eating habits.

Small Group Personal Training

Ages 13+ yrs

Designed and led by our personal training staff, this program is designed to push both yourself and the group to meet set wellness goals over the course of a month. These progressive monthly workouts begin with a "measured" start point for each individual, making it easy to track your progress. Improve your strength, cardiovascular fitness, flexibility, balance, and overall performance while having fun with a supportive team.

Smallest Winner

Ages 13+ yrs

Designed and led by our personal training staff, this 12-week competitive program is designed to push both yourself and your team to meet wellness goals. You'll meet twice a week: once as a team for progressive, small-group workouts and once for 1-on-1 personal training sessions. You track improvements with weekly goals and weigh-ins. Improve yourself and make fitness gains with help and motivation from your team! The team with the most inches/weight lost is named "Smallest Winner", bringing home the glory. Teams select one meeting time.

Mixed Martial Arts

Ages 6-14

Your child will focus on personal growth in the areas of self-discipline, self-confidence, self-defense, physical conditioning, and the core values of respect, responsibility, caring, and honesty. New participants will need to purchase gloves. See instructor on the first day for details.

Youth Judo

Ages 8+ yrs

Falling, throwing, and grappling with a focus on developing body concepts, balance, discipline, sportsmanship, self-esteem building, and fun! Optional clinics and tournaments. Beginners need a uniform, a Judo Gi. See instructor on the first day for details.

Beginner

Advanced

Teen and Adult Judo

Ages 13+ yrs

A method of self-defense and an Olympic sport, Judo progressively develops falling, throwing, and grappling techniques and stresses balance, timing, conditioning, and cooperation with a partner.

Fencing

Ages 13+ yrs

Weekly lessons include history, terminology, form, and footwork with individual hand-to-hand lessons with instructors in addition to informal and structured bouts. Maintaining a safe and individual pace is emphasized. Open to all fencers, regardless of experience.

Jr.Fit™

Ages 8-12

Develop your young athlete's potential with our group personal training program designed for kids. There is more to being a good athlete than scoring goals and running fast, but explaining the importance of stretching, hydration, and nutrition to kids can be tough when all they want to do is PLAY. JrFit™ is an athletic program with a fun, creative approach to increase kids' health and fitness. Through well-researched, safe, and effective activities, including strength training, physical conditioning, and nutrition we teach your child to play safe, so he/she can play longer.

Youth Basketball

Ages 7-11

Learn the great game of basketball! No experience needed.

Middle School Basketball League

Grades 5-8 Co-Ed

Sign up as an individual or a team. This 8-week league gives young players an opportunity to gear up for the season. Players receive a full 8-week game schedule and are guaranteed at least one refereed game per week with a playoff tournament to end the season.

CLIMBING & SPECIALTY CLASSES

Youth/Teen Climbing

Geckos

Ages 6+ yrs

Geckos is perfect for the first-time climber or young person who is not yet confident on our climbing wall. Climbers learn basic climbing commands, how to put on a harness, and tie into the end of the climbing rope. In addition to rock climbing, Geckos are introduced to various fun climbing challenges and games.

Mountain Goats

Ages 8+ yrs

Young climbers with experience on our wall enjoy the challenge of tackling more difficult routes and learning new skills. Mountain Goats learn various climbing knots, including the starter 8, and are introduced to climbing safety systems. When appropriate, climbers are introduced to more advanced climbing techniques and activities, drills, and games to improve climbing expertise.

Teen Climbing Club

Ages 12+ yrs

Looking for a challenge? Teen Climbing Club gives teens with climbing experience opportunities to strengthen their climbing technique and get connected to the local climbing community! Teens develop necessary skills to safely participate in outdoor climbing and have the opportunity to experience an outdoor climbing adventure.

Specialty Classes

Special Needs Gymnastics

Ages Under 16

Designed for children with moderate challenges including, developmental delay, attention deficit, autism, sensory issues, coordination problems, fear of movement and more. We will combine sensory, gross motor and gymnastics activities which will improve strength, flexibility, balance, direction following, and confidence in the student as well as in social settings. The program is designed to provide an opportunity for children with special needs to participate in a movement program as a recreational activity in addition to other therapies. Guardian is required to assist the child on the floor for the class. The class is taught by an experienced instructor that has a background working with children with special needs.

Home School PE Class

Grades 1-12

This class is for all school aged children grades 1-12. During the 8 week session the class will be introduced to a variety of wellness and sports activities with the emphasis being group participation and active play. Groups will be divided by age group accordingly and all activities will be age appropriate. For more information please contact Peter Sebert.

Tai Ji Quan: Moving for Better Balance 50+ yrs

Falls don't have to be a normal part of aging. Tai Ji Quan: Moving for Better Balance® is a research-based exercise program designed to help those with balance disorders reduce their risk of falling. Take steps now to maintain an active, independent lifestyle in this 24-week program!

TEEN NIGHT OUT!

The 3rd Friday of the month is Teen Night Out at the Keene Family YMCA

Teen Night Out is an evening organized by teens for teens! Our Teen Leader Corps plan each evening's theme, activities, and food. Teen Night Out provides teens a fun night of hanging out in a safe, supervised, and substance free environment.

Fees: \$10 Y members | \$12 Community members

For more information contact Peter Sebert, Healthy Lifestyles Director.

GYMNASTICS

Nurturing the Potential of Every Child and Teen

Toddlers

Ages walking-2.5 yrs

Introduce young children to physical activity and social interaction early! This class encourages exploratory fun in a nurturing playgroup-type atmosphere. Instructors help you and your child explore and play. This class also provides opportunities for parents and caregivers to visit while toddlers begin social interaction with children of the same age. We use age appropriate play equipment for your child to crawl, roll, climb, and roam while developing body awareness, balance, and coordination. For this class, children should be walking.

Tiny Tumblers

Ages 2.5-3.5 yrs

Has your child mastered our Toddler Gymnastics class? Is your child ready for a little more structure, but not ready to let go of your hand? This class combines aspects of our Toddler and Preschool classes. Your child participates in a structured class while still having the comfort of you there.

Preschool

Ages 3.5-4.5 yrs

This class promotes beginner skill development with an emphasis on safety and fun. Your child learns various skills including how to follow directions, participate safely in group activities, and control his/her body. This class is a perfect introduction to gymnastics or other structured activities and sports.

Kinder

Ages 4.5-6 yrs

Children learn "lead-up" drills required for basic gymnastics skills. They are introduced to gymnastics terminology and use age-appropriate equipment while gradually being introduced to the larger Olympic Apparatus. This class promotes motor skill development and improves your child's ability to follow directions in a group setting.

Flipping 101

Ages 6-13

Children learn how to safely perform front and back flips. We start with basic rolls and safety falls, working our way up to flips on the floor in our state-of-the-art gymnastics facility. Our highly trained staff works with your child through direct and indirect spotting and drills to help build confidence and skills.

Jr Ninja

Ages 6-10

Let your child harness his/her inner NINJA! Based on a popular international obstacle course competition, but created for children, this program helps your child develop basic gymnastics skills, agility, flexibility, and speed. Jr Ninjas compete against the clock, navigating a series of obstacles and challenges while setting personal bests.

Tumbling

Ages 6-13

Learn flips and tricks in a safe, structured setting, using our state-of-the-art spring floor, Tumble Trak, and foam pit. Tumbling is perfect for gymnasts, cheerleaders, acrobats, and kids just wanting to have fun. This class is progressive in nature and designed to promote skill development in participants of all abilities, from beginner tumblers just starting out, to advanced athletes.

Recreational Gymnastics

Keep your child active and engaged with Y gymnastics! Our recreational classes are a great way to enjoy the fun of gymnastics even if your child isn't quite ready for the competitive track. Your child develops strength, flexibility, and more in a fun, low-pressure class with peers. Under the nurturing instruction of qualified staff your child focuses on skill development at his/her own pace. The program is designed for those who enjoy the sport recreationally and is age-based.

Beginner

Ages 6-9 yrs

Open to all gymnasts. No previous experience required.

Advanced

Ages 9-13

No experience required. This class is for those who enjoy the sport of gymnastics but are not interested or ready for the competitive program.

Progressive Gymnastics

Ages 6-13

Progressive gymnastics classes are perfect for your driven child and as an alternative to traditional team sports. This program provides progressive skill development in agility, endurance, strength, balance, physical conditioning, gross motor, and fine motor skills, all enhanced with the special element of fun. Led by the Y's qualified, experienced staff, this program is designed for those striving to compete. Gymnasts receive evaluations on skill progress at the end of each session.

Beginner

Open to all gymnasts. No previous experience required.

Intermediate

To enter the Intermediate class, participants must have either passed the Beginner Evaluation or be able to jump to a safety stop, jump to front support on bars, hold Mickey Mouse ears, confidently walk forward and sideways on the beam, forward roll on the floor, perform a bridge, and perform a handstand against a cheese mat.

Advanced

To enter the Advanced class, participants must have either passed the Intermediate Evaluation or be able to hurdle onto a springboard, three casts in a row, standing glide swing, releve walking forward and sideways on the beam, tuck jump dismount off beam, bridge with feet together, handstand without cheese, and backward roll down the cheese.

Rising Stars

To enter the Rising Star class, participants must have passed the Advanced Evaluation or have the approval of the Gymnastics Director.
