

LEAD THE CHANGE! BE AN ADVOCATE.

A Y Ambassadors Program

WHAT TO EXPECT

Advocacy experts from **New Futures Kids Count** and **NH Children's Trust** will lead hands-on training based on real world scenarios. Attendees will learn how to develop leadership and civic engagement skills.

ADVOCACY IS FOR EVERYONE!

Learn how to be an advocate for the Monadnock Region! To bring about meaningful change in our community, we need advocacy training and to inspire youth engagement. As part of the Y's commitment to **strengthening our community**, the Keene Family YMCA is hosting a FREE advocacy training, and a chance to meet local state senators.
