CLIMBING

Climbing is an exhilarating and rewarding sport that builds stamina and endurance, develops hand, foot and eye coordination, increases strength and flexibility, boosts confidence, and improves decision-making and problem solving skills. Here at the Keene Family YMCA, we strive to create an emotionally safe and physically secure climbing education environment where climbing students can ask questions, strengthen teamwork, and overcome challenges so they can continue to grow and learn.

Adult Climbing 101 (ages 18+) - EXP

A snapshot of indoor climbing, geared towards the curious beginner who wants to climb for the joy of it. With a short commitment of 4 weeks, it's a perfect introduction for those new to the sport of climbing, who want to develop solid climbing habits early on and perhaps challenge their fear of heights. Climbing 101 is a non-progressive class, focused on fun and recreation where we will teach you the essential principles applicable to any climbing gym using games and simple challenges. Climbing 101 will also function as an assessment for those interested in joining the Mountain Rockers level. If Mountain Rockers does not fit a student's schedule, instructors will cater to a climber's abilities as best as possible in Climbing 101, however progression may be inconsistent. 75 minute class, once per week.

Parent & Me Climbing (ages 5+) - EXP

Parent & Me Climbing offers a chance for you and your child to experience climbing as a team, learning the ropes together. You'll learn how to properly equip yourself and your child—we'll take care of the rest. No belaying experience required. With two instructors, you and your child will be guided and belayed up the wall at the same time on parallel routes of your choice. It's a perfect chance to bond in a unique way, learning the fun of climbing together! 75 minute class, once per week.

Keene State Collage Climbing Series (ages 16+) - PRO

The Keene Family YMCA is partnering up with the Keene State College Outing Club to bring you an exciting progressive bi-weekly climbing series. This class will be lead by experienced climber, Zach Christie, the president of the KSC Outing Club. This class is free for KSC students. No previous climbing experience necessary. 90 minute class.
