KEENE FAMILY YMCA MEMBERSHIP POLICY

I. Our Mission

We serve all people through programs and services that build spirit, mind and body with a focus on Youth Development, Healthy Living and Social Responsibility.

II. Our Vision

A community where everyone is welcome and thriving.

III. The Y Cause

Strengthening the Foundation of our Community.

IV. Our Focus Areas

YOUTH DEVELOPMENT

At the Y we believe that every child, youth, and teen deserve the opportunity to realize their full potential. That's why we put so much time into developing youth-centered programs of all shapes and sizes. So, every youth we serve can find and explore their passions, while building friendships and connections that will support them throughout their lives.

HEALTHY LIVING

Through a wide range of programs, classes, and workshops, we provide the guidance and resources you need to live your best life. With a focus on education, connection, physical health, and emotional well-being, we'll help you build healthy habits, reduce the risk of disease, and improve your health inside and out.

SOCIAL RESPONSIBILITY

The Y has been listening and responding to our community's most critical social needs since 1885. Through the Y, volunteers, donors, leaders, and partners across the Monadnock Region are empowering the community to be inclusive, confident, connected, and secure.

V. The Y Values

Our core values unite us as a movement with a common cause. They are the shared beliefs and essential principles that guide our behavior, interactions with each other and decision-making. The four values of the Y:

- **Caring:** Show a sincere concern for others
- **Honesty:** Be truthful in what you say and do
- **Respect:** Treat others the way they would want to be treated
- **Responsibility:** Be accountable for your promises and actions

VI. Diversity, Equity, and Inclusion Policy

The Keene Family YMCA as a global active citizen has adopted a Diversity and Inclusion Policy that drives our efforts and calls for access and engagement of all in the community regardless of race, ethnicity, gender identity, national origin, faith, age, income levels, sexual orientation, immigration status, or any protected status.

What is Diversity, Equity, and Inclusion?

- **Diversity:** The presence of differences that make each person unique and that can be used to differentiate groups and people from one another.
- **Equity:** Equity is the guarantee of fair treatment, access, opportunity, and advancement for all, while striving to identify and eliminate barriers that have prevented full participation of some groups; it acknowledges historically underserved and underrepresented populations, and that fairness regarding these unbalanced conditions is needed to assist equality in the provision of effective opportunities to all groups.
- **Inclusion:** The full engagement and development of all Y stakeholders (staff, participants, members, policy volunteers, program volunteers, partners, communities, vendors, etc.).

The Y is made up of people of all ages and from every walk of life working side by side to strengthen communities. Together we work to ensure everyone, regardless of gender, income, faith, sexual orientation, or cultural background has the opportunity to live life to its fullest.

JOIN / REJOIN FEES

Keene Family YMCA membership, new or rejoining, comes with a join or rejoin fee. Details are available in the Conditions of Membership below.

MEMBERSHIP REFUNDS

The Keene Family YMCA may grant a refund of membership dues, or an extension of membership renewal date, when requested by a member due to serious illness and substantiated by a doctor's note at the beginning of the illness. All refund requests are at the discretion of the YMCA CEO or their designee.

MEMBERSHIP HOLDS

Members will be allowed to place their membership on hold for a period of up to 90 days for medical reasons only. The request must be submitted with a written doctor's note at the beginning of the illness. During the hold period the member will not be charged monthly dues. Membership holds will only be approved by the Membership Director, YMCA CEO or their designee.

FINANCIAL ASSISTANCE

It is the policy of the Keene Family YMCA to serve all people regardless of financial situation. Financial assistance shall be provided to qualifying individuals, subject to available resources. Financial assistance is available through a needs-based process, which assesses an applicant based on the Federal Poverty Level Guidelines (FPL), or via a determination letter from a Keene Family YMCA Board-approved list of organizations or agencies, or via the determination

of special circumstances by the Membership Director, YMCA CEO or their designee. All financial assistance information is strictly confidential.

The Chief Executive Officer (CEO) or a designee has the authority to set the procedures for the need-based application process and to give additional waivers or reductions to those in need, if the CEO or his designee deem it fit or if they believe doing so is consistent with the policies put in place by the Board of Directors.

The financial assistance award is good for one year with full membership benefits. It also applies to programs, childcare and camp for children under 18 years of age. Renewal is based on resubmission of the application or determination letter. At the Y's discretion in any given year, an additional usage requirement of 48 visits in a calendar year may be a part of the renewal process. Applications will be available at the Welcome Center.

XII. Conditions of Membership

1. MEMBERSHIP CARDS

The provided membership scan tag, or Keene Family YMCA app barcode, is proof of membership and must be presented upon entry into the facility. If a scan tag is lost, the YMCA may charge a fee to issue a new scan tag.

2. JOIN / REJOIN FEES

New and rejoining memberships will include a Join or Rejoin fee based on membership types. Join or Rejoin fees are not refundable.

3. RE-ADMISSION

When a member renews their membership within one month of the date due, they may be re-admitted as a continuing member and the membership will be dated back to the day when the dues were payable. However, if more than 30 days have elapsed, the person will be subject to a rejoin fee.

4. DISCONTINUATION, SUSPENSION OR REVOCATION OF MEMBERSHIP

- a. **Paid in Full:** A member who has paid his/her annual membership fee in full is considered a member for the duration of the paid membership. If the member does not renew their membership, it will terminate automatically as of the renewal date. The member will have a 30-day grace period to renew without being charged a rejoin fee.
- b. **Monthly Payment Plan:** A member who has paid their annual membership fee using the monthly payment plan remains a member until they notify the Keene Family YMCA in writing. The draft will terminate 30 days after the cancelation request.
- c. **Involuntary / Inappropriate behavior:** Any member may be subject to disciplinary action as outlined in the Code of Conduct by restriction, suspension, or expulsion from membership whenever such action shall be deemed necessary or appropriate. This action will occur at the discretion of the CEO or their designee. If a member wishes, they can appeal the decision to the CEO. The member will be suspended until the final decision by the CEO, or their designee, has been made. The CEO's decision is final.
- d. **Failure to meet financial responsibility:** Any draft member who misses a payment and does not make payment within 10 days of notification shall have his/her membership terminated. If you are having difficulty paying for your membership for any reason,

please contact us.

e. **Sexual Offender Background Check Policy**

The Keene Family YMCA considers it of great importance to provide a safe and threat-free environment. For this reason, the YMCA monitors the sexual offender registry. Persons on the list will not be eligible for membership, program participation, volunteering, or employment opportunities with the Keene Family YMCA. The YMCA reserves the right to revoke any membership if it is discovered that the member or guest has been placed on the sexual offender registry.

5. **PHYSICAL READINESS**

Before starting any exercise program, members will be encouraged to check with their primary care physician. Members may request a Par Q Form when they register for membership. The Y will not collect the completed form from the member. The Par Q questionnaire is designed to help members determine their physical readiness before starting physical activities. It is the responsibility of the member to seek medical advice following the completion of the Par Q.

XIII. Transfers

1. **TRANSFER BETWEEN INDIVIDUALS**

Membership and member privileges shall not be transferred from one person to another.

2. **TRANSFERS TO ANOTHER ASSOCIATION**

Members who move to another geographic area outside of the Keene Family YMCA service area and wish to participate in a YMCA there, will need to contact that YMCA for its specific policy on membership transfers.

3. **NATIONWIDE MEMBERSHIP**

Members of the Keene Family YMCA are entitled to visit any participating Y in the United States and Puerto Rico at no additional cost. Members are responsible for checking with the Y they are visiting regarding the exact policies concerning classes and services. This system should not be abused, and members are expected to retain their membership at the Y they use most frequently. Abuse of the nationwide program could result in a Y discontinuing the acceptance of their membership. More than 24 visits to a single participating Y in a calendar year could be considered abuse of the policy. If an individual uses the Keene Family YMCA more in a 30-day period than their home Y, this may also be considered abuse, and they may be required to purchase a membership at the Keene Family YMCA.

Any individual whose membership at another YMCA has been suspended or terminated, shall not be eligible to enter the Keene Family YMCA.

NUMBER OF VISITS AND EXTENDED VISITS TO OTHER YMCAs

Nationwide members may visit other participating Ys as often as they like, as long as they use their home Ys, on average, at least 50 percent of the time. If nationwide members have a family membership or some other inclusive membership arrangement and regularly use two Ys with the same frequency, they need to belong to the Y in the community where they live. Members wishing to end their membership must do so at their home Y. Nationwide members—snow birds, college students, and seasonal residents, for example—may live in a region away from their home Y for an extended period of time. If they intend to live away from their home Y for more than 28 days, they

need to transfer their membership and pay membership dues to the participating Y they are visiting; this Y then becomes their home Y while they are in temporary residence. Ideally, these members will place their membership on hold when they leave their home Y and, on their first visit to the Y in the new location, activate a new membership there. After the 28 days pass since their first visit, the visited Y can then require them to join. Members in good standing who do not have outstanding balances are eligible to transfer their memberships.

FREE GUEST OR DAY PASSES

The Keene Family YMCA offers free guest passes as a benefit to members and to encourage prospective members to join. Individuals are limited to five free guest pass visits permitted in a calendar year. However, all guest pass usage is at the discretion of the YMCA CEO or their designee. The YMCA requires that guests under 12, or below the sixth grade, be accompanied by an adult. All free guest or day pass users will be required to sign a waiver of liability and the Code of Conduct.

XVI. Member Input

We value suggestions for improving the Keene Family YMCA. A mechanism for member comments is in place, and email and phone contact information are also made available to members for suggestions or concerns at <https://keeneymca.org/our-staff/>. The Keene Family YMCA requires the measurement of member satisfaction and reports findings to the Board of Directors.

XVII. Service Animal Policy

The Keene Family YMCA strives to enhance the general health and wellbeing of its staff, members, and visitors in a safe environment. We offer an atmosphere of inclusion and desire to support individuals with disabilities by providing accommodations to allow access and participation. While the Keene Family YMCA does not allow pets in the facility, service dogs (or miniature horses) that are individually trained to do work or perform tasks for an individual with a disability are allowed. The task(s) performed by the service animal must be directly related to the person's disability.

The Keene Family YMCA follows the ADA requirements and the State of NH requirements for service animals and these requirements supersede the YMCA's policy.

Service animals are defined by the ADA as dogs that are individually trained to do work or perform tasks for people with disabilities. Examples include the following categories:

- Service Dog: Assists an individual who has mobility impairment with tasks including, but not limited to, providing balance and stability, retrieving items, and pulling wheelchairs.
- Dog Guide: Assists an individual who is blind or visually impaired with tasks such as, but not limited to, aiding in navigation and alerting the individual to dangers such as moving cars.
- Hearing Dog: Assists an individual who is deaf or hearing impaired by alerting the individual to the presence of sounds or people.
- Alert/Response Dog: Alerts an individual to a seizure or other medical condition.
- Psychiatric Service Dog: Aids an individual with a cognitive, psychiatric, or neurological disability.
- Comfort, therapy and emotional support animals: "Comfort", "Therapy", and "Emotional Support" animals do not meet the criteria of a service animal and are not allowed in the Keene Family YMCA. A Therapy and Emotional Support animal merely provides comfort to an individual in some fashion.

The YMCA will not make inquiries about an individual's disability. The Y will not require proof of certification or medical documentation as a condition for entry.

Under the Americans with Disabilities Act (ADA), service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents him or her from using these devices. Individuals who cannot use such devices must maintain control of the animal through voice, signal, or other effective controls.

SERVICE ANIMAL EXCLUSIONS

The Keene Family YMCA may exclude service animals if the animal is out of control and the handler cannot or does not regain control, if the animal is not housebroken, if the animal shows aggression toward people or other animals, if the animal barks, growls, or whines, if the animal solicits attention, food, or other items from the general public or annoys any member of the general public, or if the animal disrupts the normal course of business.

The care or supervision of a service animal is solely the responsibility of their owner/handler. The Keene Family YMCA is not required to provide care, food, or a special location for the animal.

SERVICE ANIMAL INTERACTION EXPECTATIONS

As a general rule, YMCA staff, members, and guests should refrain from distracting the service animal in any way. This means do not pet, talk to, or make eye contact with the animal. Ask permission from the handler before attempting to greet the animal and do not take offense if the request is denied. Any distraction may interrupt the animal's work and could cause injury to the animal's handler.

SERVICE ANIMALS IN AQUATICS

Service animals are allowed on the pool deck; they are not permitted to enter the pool, hot tub, sauna or steam room.
