WELCOME!

Welcome to summer at the Keene Family YMCA! Whether you're considering a traditional day camp or a specialty camp, summer at the Y is always filled with excitement, adventure, new friends, lifelong memories, and most of all fun! Our camp programs are based on the Y's core values of **caring, honesty, respect, and responsibility**, delivered in a safe and supportive environment. We provide affordable, quality summer experiences for children in grades K-12.

There are few experiences as unique and special as camp. At camp, kids become part of a community and form friendships as they learn how to be more independent and contribute to a group. Amidst all the fun of sports, crafts, outdoor adventures, and more, children develop skills that **build character and promote leadership**. At the Y, we believe every child should be given the opportunity to experience the joy of summer camp.

YOUR CHILD'S SAFETY & WELL-BEING IS OUR TOP PRIORITY.

Our staff are highly trained and highly engaged in all aspects of positive youth development. All Y staff undergo reference and criminal background checks before being hired. Our counselors have competencies in team building, character development, conflict resolution, emergency procedures, child abuse awareness and prevention, First Aid and CPR.

CAMP HOURS

Camp Wakonda: 7:30am - 5pm

Gymnastics Camp: 8am - 4pm

CAMP LOCATIONS

This summer, YMCA Day Camp is all about exploration, connection, and fun—and that includes where our adventures take place!

We are excited to be exploring new camp locations that allow us to make the most of our community's spaces, expand outdoor opportunities, and create memorable experiences for our campers. While final camp locations are still being confirmed, families can expect thoughtfully selected sites that support active play, creativity, and safe, engaging programming.

No matter where camp is held, families can count on the same caring YMCA staff, high-quality programming, and commitment to safety that make our camps a place kids love to be.

Final camp locations and drop-off details will be shared well in advance of the start of camp.

GYMNASTICS CAMPS

The gymnastics program at the Y offers three different camps in our Gymnastics Center for children entering grades 1-6, each with a different focus. There are options for those who are just beginning in the sport, for experienced gymnasts interested in advancing their skills, and everyone in between. We use a positive and enthusiastic approach to help campers build strength, balance, and self-confidence.

GYMNASTICS & MORE

Experience a little bit of everything the Y has to offer! Campers will play and learn in the Gymnastics Center, take on fun challenges in the Ninja Room, enjoy swimming in the pool, and get creative with arts and crafts. They'll also spend plenty of time outdoors, including water games to stay cool on warm summer days.

OBSTACLE CHALLENGES & MORE

Campers will challenge themselves to conquer timed obstacle courses and navigate through agility tracks while learning techniques like safety rolls and falls in our Gymnastics Center. They will collaborate to design and build their own creative challenges, incorporating gymnastics equipment, tunnels, climbing elements, and problem-solving tasks. In addition to these activities, campers will enjoy water play in the pool and sprinkler, arts & crafts, outdoor activities, and time in the Ninja Room for a well-rounded, active experience.
